Newsletter no. 10 June 2019

Dear Parents,

Welcome to the June edition of the school newsletter. We hope and trust you had a very enjoyable Spring Bank Holiday week.

This final half term of the school year is always a very busy one as final assessments are made, reports are issued and many end of school year activities and events take place such as the forthcoming Sponsored Mile, **Bingo Nights**, Sports Day, the Year 6 Graduation and Summer Trips. In addition to these we also have our 'Healthy Living' fortnight, meet new classes mornings, a curriculum evening and Beckstone's Got Talent!! Indeed, the scope of the events is reflected in the extensive list of dates on the back page for June and July. Please do make a note of these dates so you don't miss anything!

We are now going to be running a **summer holiday play scheme** at a competitive cost of £15 per half day or £20 per full day to help families with holiday care. It is very competitively priced and I hope you will find it very useful. Further details and a booking form are on the penultimate page.

Best wishes,

Mr Warbrick

Sponsored Golden Mile

The school's annual sponsored event takes place THIS week Nursery will complete their challenge on **Thursday 6th June** and the rest of the school on **Friday 7th June**. The children can come to school dressed in sports clothes on their allotted days. Please help your child get some sponsors before the event if you have not done so already. All money raised will go to enhance the children's experiences at school. Thank you in advance for your support.

A letter went home on the last day of last half term detailing the times your child would be taking part in their mile if a family member or members wished to join them. The Nursery mile will take place with 8 laps around the field on Thursday after morning registration and should be complete by 10am. The main school timetable for Friday is below. Fingers crossed for good weather on both of the days.

Sporting Success

Since the last newsletter, our teams have continued to conquer all before them.

Our Year 5 & 6 Cricket team won the Workington Cricket competition for the 4th

year in a row. The team are now in the County Finals. A photo from the event is at the top of the next page.

Following on from that our girls' football team took part in the inaugural girls' football competition involving all Workington schools and our team won that competition too. Again, there is a photo of the successful team below.

School Swimming Gala

The school swimming gala took place just before half term. The event was keenly contested and enjoyed by all. The winning house was Red House. The team is pictured below with the trophy.

Many of the winning swimmers will go on to form our team for the Workington Swimming Gala on Thursday 13th June at 10am at the Sports Centre.

A photo-collage hopefully catching the spectacle of the event is below.

Governor Vacancies

The recent Parent Governor Vacancies have been filled by Mrs Vicki Martin and Mrs Kate Mahone. They were both elected unopposed and return to the Governing Body.

The current Governing Body and their terms of office is shown below. This can also be seen in the Governor zone of our web site. As you will see there are currently now 2 co-opted vacancies and the Governors will audit their skills and expertise and look to co-opt 2 community members in the Autumn.

Governor Challenge Day

The Governors spent the day in the school on Tuesday 21st May. They joined in singing, talked to children from all classes about their work, witnessed an ingress drill and met with subject leaders.

It was an action packed day and the Governors were impressed at the subject knowledge of both the pupils and the staff as well as the exemplary behaviour of the pupils.

Governors' Board

Hi everyone! Welcome to the last half term of the school year!

I'd firstly like to say a huge well done to our Year 6 and Year 2 pupils for their fantastic efforts during SATS week. You were all brilliant, be very proud. We certainly are!! Next week brings the Year 1 & 2 phonics checks, so good luck to everyone involved, do your best.

This month we will start our transitions, with the Foundation Stage and year one starting theirs and our Year 6 pupils starting to get ready for their moves up to secondary school! A very exciting time! We also have a number of spaces available in nursery this year, which is unusual for us as we are normally over-subscribed. If you know of anyone with children that will turn 3 years old between September 2019 and August 2020, please let them know; we can offer the 30-hours free childcare for 3 and 4 year olds too!

Some of the other Governors and I spent a day in school during the last week of term for one of our bi-annual 'Governor Challenge Days'. I always enjoy spending time in the school and this occasion was no different. A number of children from each year group came along to talk with us in small groups of 4 throughout the day to tell us about their experiences in school, what they thought about the school and show us some of their work. We were all very impressed with the behaviour, manners and enthusiasm of the pupils that we saw; there was some fantastic work and their ability to describe and articulate their learning journeys, from Year 1 to Year 6, was fantastic. It's a great thing to see and you should all be really proud. We also got to pick names out of the prize draw for the 'Strive for Five' reading challenges and it was good to see just how many entries there were; it's so important for children to read and be read to and can make a huge difference to their level of understanding and comprehension as they grow, so thank you for your support at home.

Looking forward to seeing you at the next bingo nights!!

Best Wishes

Vicki Martin

Women's World Cup

To support the England's Women's team in a similar manner to the men's last year the school will be following the team's progress closely. Each class have adopted 2 teams in a school 'sweepstake' and we are planning England themed days to support their games in the France 2019 competition. The dates of these days are detailed in the following article about non-uniform days The tournament kicks off on Friday.

Non-Uniform Days

The 'Superhero' non-uniform day last month to support CFM's 'Cash for Kids' charity was very well supported. Thank you! The photo below shows nearly 400 superheroes in assembly! There are many other photographs in a 'Superhero' zone of our photo gallery on our web site.

Children can come dressed in sports clothes for the Nursery mile on Thursday 6th June and for the main school's miles on Friday 7th June (both this week and detailed in an earlier article).

The next non-uniform days are to mark the England' Women's World Cup Football Campaign (Sunday 9th's game against Scotland at 5pm is covered by the Sponsored Mile sports clothes days). These days are:

Fri 14th June – Non Uniform day to support England as well as the Bingo Nights. **Chocolate donations would be very much welcomed on this day.**

(England v Argentina 8pm) -

Wed 19th June -Non Uniform to support England (England, v Japan 8pm) - **FREE**

There may be more if England progress!

In addition to the above children can come dressed in their house colours on the Sports Day (Tuesday 2nd July with the reserve day on Thursday 4th July) and also they can come for a final free non uniform day on our 'fun' day on Thursday 18th July.

Sports Day

Please can all note that Sports Day takes place (weather permitting) on

Tuesday 2nd July with a reserve day on Thursday 4th July. The Sports Day for the main school will start at 9.30am and should be over by 11am.

On the day itself there will be a raffle and refreshments for parents, all money raised will go to the FAB's (Friends at Beckstone/PTA) subsidy of summer trip transport.

Key Stage 1 & 2 Tests

The Year 2 & 6 children were a credit to their families as they sat their tests with maturity and enthusiasm. The testing weeks were very tiring for them. The Year 2 test results will be reported but are internally marked and form part of the information on your child's achievement that informs the end of year teacher assessment level. The Year 6 tests have been sent off to external markers and we will not find out the results until well into July. We are very proud of all our pupils and are confident these cohorts will do well as internal tracking systems are showing the good progress the children have made. As well as thanks to the children, the staff of the school deserve praise as their input and inspiration over this year and indeed over recent years, it has been truly amazing. This was noted by the pupils on the Governor Challenge Day as they told the Governors the school staff were very supportive yet consistently challenged them to do their best.

Summer Trip Costs

All trip costs are being heavily subsidised by the 'Friends at Beckstone' who have been devoting much of their fundraising to this over the course of this year. Such action hopefully helps families in these times of austerity.

Phonics

The Phonics screening checks for Year 1 and some Year 2 pupils take place next week. Full details about the different phonic phases are on

the next 2 pages. We urge all parents to have a look at that information and also look at the information in phonics in the 'Parenting Information Zone' of our site.

Year 4 Times Table Test

Tests on times tables for all Year 4 children will become statutory from 2020. The school has volunteered to pilot these tests with the current Year 4 children from next Monday. The test is a short online test where the children have 6 seconds to answer a question. The children will unfortunately not be informed on how well they have done until July. We hope to include the information on your child's report.

Software to help and encourage all children to learn their times tables is 'Times Table Rockstars'. Children from Year 1 upwards have their own 'Rock Avatar' and can earn points for their avatar and to work towards a series of certificates and badges that are awarded in assembly. We are delighted to let you know that the school have now subscribed to an app (available from the 'App Store' – Apple or the Play Store -Android). This can be installed on phones/tablets etc and the children then just need to log in with their normal school user name and password. We hope good use is made of it. Further information is on the page after the phonics details.

Contact your child's teacher if...

- You have username or password issues
- Something isn't working or you're not sure how it works
- You have a complaint or a suggestion
- You have something nice to say about ttrackstars.com!

Revisewise

Free revision classes for Year 5 children now take place on a Wednesday and a Thursday from 8.20 to 8.50am. Please encourage your children to attend as it has proved to impact on their outcomes in Year 6.

All Year 5 children should be attending!

Herbs

There are herbs pots at the front of the school. Don't forget you are welcome to

help yourself to a pinch of herbs to brighten up your home cooking. The sign above the herbs (in front of Mrs McGill's class, to the left of the front door as you look at it) gives ideas as to how you can use them to add flavour to your cooking. You only need little sprigs to add bags of flavour.

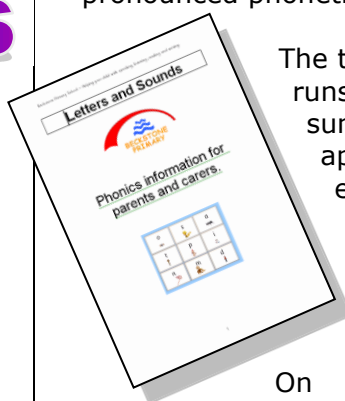

100 Club

The April draw took place in an assembly last week. The number 18 was the first number drawn and the £30 was won by Julie McAdam, the £15 number, 9, belonged to Jacob Nicholson and the £5 number was 65 belonging to Stacey Eland. The next draw is at the end of this month. New players continue to be welcome as there are still a few numbers left (if a non-player number is drawn then the prize will go to FAB). The cost for the rest of the year is £2 (draws in June & July). Please see the School Office if you wish to join. You can now also reserve numbers for the draws in the next school year. The cost for the year is £11. Please see the School Office.

Phonics Phases

There is a very useful booklet entitled 'Letters and Sounds – Phonics Information for Parents and Carers' which can be downloaded from our web site. Simply visit the 'Parenting Information and Guidance Zone' and click on 'Phonics Information for Parents'. With the increased emphasis on phonics teaching from the Government as the vehicle to ensure children are reading by the end of Year 1 it is well worth re-reading this booklet.

The purpose of these next two pages is to summarise parts of that booklet and enable you to check your child's phonetic knowledge at home and support them in their phonics learning. Children in Year 1 and those in Year 2 who didn't pass last year will be tested with 'real words' and 'nonsense' words. A sample of the test which you may wish to try on your children is in the revision zone on the web site (use the name 'bps' and password 'home'). The check will be in the form of flashcards...the plain ones are 'real' words and the ones with alien pictures

are the 'nonsense' words that have to be pronounced phonetically correct.

The teaching structure for phonics runs over 6 phases...these are summarised below with approximate timings and age expectations. Please note that a '**phoneme**' is the sound of the letters and a '**grapheme**' is what they look like written down.

On the following page are assessment sheets that can be used to support your child. They are assessed at school and work is targeted to help them develop their phonetic knowledge. This work may be ongoing well into the upper end of Key Stage 2 for some children so don't worry too much if your child is not at the stage you think they should be yet as children develop their reading at different speeds.

We have added some resources to help you support your child at home to the 'Parenting Information and Guidance Zone' including some posters and a

link to Mr Thorne's phonics site – this is excellent and you and your child can watch videos for the appropriate phase (use the menus on the black bar across the page) and watch Mr Thorne pronounce them correctly

With all the increased focus on phonics and at such a fast pace it is important to also understand that **children will only read when they are ready** and that their **phonics alone will not produce fluent readers**. There are many other strategies to help children read that we deploy in school and that you can do at home such as sharing reading every day. It is of the utmost importance that children do not feel pressurised or stressed if they cannot grasp these aspects of reading straight away – to become a lifelong reader who gains great enjoyment from reading then reading needs to be seen as **a pleasure not a chore**.

Phase	Phonic Knowledge and Skills
<p><i>Phase One</i> (Nursery/Reception) & ongoing</p> <p>Age expectation: 3-4 years</p>	Activities are divided into seven aspects, including listening to environmental sounds, instrumental sounds, body sounds, rhythm and rhymes (lots of nursery rhyme practice!!), alliteration (sentences with words beginning with the same letter), voice sounds and finally saying the sounds and putting them together
<p><i>Phase Two</i> (Reception) up to 6 weeks</p> <p>Age expectation: 4-5 years</p>	Learning 19 letters of the alphabet and one sound for each. Blending sounds together to make words. Separating words into their separate sounds. Beginning to read simple captions.
<p><i>Phase Three</i> (Reception) up to 12 weeks</p> <p>Age expectation: 5 years</p>	The remaining 7 letters of the alphabet, one sound for each. Graphemes such as ch, oo, th representing the remaining phonemes not covered by single letters. Reading captions, sentences and questions. On completion of this phase, children will have learnt the "simple code", i.e. one grapheme for each phoneme in the English language.
<p><i>Phase Four</i> (Reception) 4 to 6 weeks</p> <p>Age expectation: 5-6 years</p>	No new grapheme-phoneme correspondences are taught in this phase. Children learn to blend and segment longer words with adjacent consonants, e.g. swim, clap, jump.
<p><i>Phase Five</i> (Throughout Year 1)</p> <p>Age expectation: 6-7 years</p>	Now we move on to the "complex code". Children learn more graphemes for the phonemes which they already know, plus different ways of pronouncing the graphemes they already know.
<p><i>Phase Six</i> (Throughout Year 2 and beyond)</p> <p>Age expectation: 7 years upwards</p>	Working on spelling, including prefixes and suffixes, doubling and dropping letters etc.

Goal

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables!

To be a Times Table Rock Star you need to answer any multiplication fact up to 12×12 in less than 3 seconds!

Logging in to Times Tables Rock Stars

- 1 Type play.ttrockstars.com into your browser's address bar.
- 2 Click Login! > School > Student
- 3 Enter the School Name.
- 4 Enter your child's username and password.

Single Player

Garage – the questions will only come from the times tables the teacher has set for the week. It will include multiplication *and* division questions. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

Studio – the questions in the Studio can be anything from 1×1 up to 12×12 . TT Rock Stars calculates the mean response time from their last 10 games in the Studio and translates that time into a Rock Status.

$\leq 1 \text{ sec/qu} = \text{Rock Hero}$
 $\leq 2 \text{ secs/qu} = \text{Rock Legend}$
 $\leq 3 \text{ secs/qu} = \text{Rock Star}$
 $\leq 4 \text{ secs} = \text{Headliner}$
 $\leq 5 \text{ secs/qu} = \text{Support Act}$
 $\leq 6 \text{ secs/qu} = \text{Breakthrough Artist}$

$\leq 7 \text{ secs/qu} = \text{Unsigned Act}$
 $\leq 8 \text{ secs/qu} = \text{Gigger}$
 $\leq 9 \text{ secs/qu} = \text{Busker}$
 $\leq 10 \text{ secs/qu} = \text{Garage Rocker}$
 $> 10 \text{ secs/qu} = \text{Wannabe}$

If you don't play in the Studio you don't get a Rock Status.

Players earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

Soundcheck – When you play Soundcheck, you get 20 questions each with a 5-second time limit. The questions are multiplication only and evenly weighted in terms of difficulty each time you play. Players earn 5 coins per correct answer.

Multiplayer

Rock Arena – The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together). A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

Rock Festival – The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 1×1 to 12×12 . Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

SUMMER BINGO NIGHTS

These take place on Tuesday 18th June and Wednesday 19th June. To even up numbers (100 max per night) the first date is nominally for families with children in the Foundation Stage or Key Stage 1 and the latter for families in Key Stage 2. You can of course attend the one that suits you best or indeed both!!

Tickets for these events are available from the School Office. All tickets cost £3.50 which includes a Bingo book, a hot dog and a drink. Tickets MUST be shown on the night to receive your Bingo book (additional books will be on sale at the door priced at £1).

Ice cream/lollies (50p) and stand up Bingo tickets (£1) will also be on sale at the interval.

The Easter week Bingo Nights proved to be extremely popular raising a lot of money to help FAB/PTA subsidise the summer trips amongst other expenditure.

To support the event, we are asking for donations of chocolate for prizes on the Non Uniform Day' on Friday 14th June.

Safeguarding/Child Protection

Full details on the county's policies, procedures and processes with regard to safeguarding plus analysis of outcomes of serious case reviews can be accessed through the Cumbria LSCB Web Site at www.cumbrialscb.com The site also has a parental information zone.

In addition to the above the school has a 'Safeguarding Zone' on its web site which contains the above link as well as relevant school policies, further information and a diagram showing how we keep your child safe in school. It is well worth a look.

Sharing information is in the best interests of children and their safeguarding. The school reserves the right to share and receive information from other agencies that may have had dealings with your child.

If you ever have any concerns about the safety or well-being of a child, then you can ring your concerns through to the County's 24 hour 'Safeguarding Hub' number and you can remain anonymous if you wish. Callers can outline their concerns and the Safeguarding Hub will give advice (consultation) and if necessary undertake an assessment of need.

0333 240 1727

There is now also an adult NSPCC helpline where any concerned adult can seek advice if they are concerned about a child and would like advice on whether to make a referral. The number to call is

Do you have concerns about a child or young person?

If you have a concern about the safety or well-being of a child or young person, you should contact the County Triage Team. They are a team of social workers, police and health workers who will give you advice or take action if required.

You don't need to give your details. All calls are taken seriously.

Domestic Violence

Debbie Cook, our Educational Support Manager has trained to be a 'Domestic Violence Champion' and is a resource available to any adult who would like to confidentially

share incidents with her and is a very good source of advice. Just contact the School Office to get in touch with her.

Domestic violence is on the increase and causes terrible harm to victims and the associated children.

It is everyone's responsibility to ensure it is eradicated. We are working closely with the Police and the school will learn of any incidents to support any children whose lives are affected by such an occurrence.

Cyber Security Awareness

We have arranged a training session for parents on **Monday 8th July** from 9.15 to 10.30am.

The session will be run by the Police and will teach you how to keep your child safe online. There will be a certificate at the end too. **Please make a date in your diary!**

Important DATE!

Get safe online

FREE training: open to ALL

Funded by the Cumbria Police Crime Commissioner to reduce cyber-crime in Cumbria and delivered by **Get Safe Online** - the UK's leading source of information on online safety.

The training will provide you with simple information to help keep yourself and your communities safe through topics such as: **creating secure passwords, shopping and banking online securely, social media, and how to prevent and report fraud, identity theft and abuse.**

Donations Needed

Our Reception classes would very much welcome donations of children's wellies so they can go and learn in their engaging outdoor space whatever the weather.

The school would also very much welcome any of the following;

- Games, puzzles and jigsaws
- Construction Equipment e.g. K'Nex, Meccano or Lego
- Railway or road sets
- Bikes and Trikes for Nursery & Reception

- Good quality books
- Comics/games for wet playtimes

Thank you in advance for any donations.

Give Blood – Help Save a Life!

The next donor session is on Thursday 20th June from 3pm to 7pm at the Bridge Centre, Workington. This session however appears to have a lot of bookings. It is worthwhile visiting the site, registering and then choosing an appointment this month or into the future at a time that suits you. Remember you could be helping save someone's life!

Further details can be found at www.blood.co.uk

Fathers' Day

This takes place on Sunday 16th June. The pupils have all drawn pictures of a significant male in their life that should be included in the News and Star special Fathers' Day supplement. We will send out a text to let you know on what day's edition this will feature in. There are some very good likenesses and some that require a bit of imagination! Dad's get yourself a copy on this day!!

Allerdale Mayor's Visit

The Mayor of Allerdale (whose term of office is now over), John Crouch, visited the school last month. His worship described his role in assembly and brought along the solid gold chains of Office and Mace. He then met with the School Council and answered questions from each class. There were a lot of insightful questions and the Councillors learned a lot. Of great interest was the fact that our School Council operates along similar lines to the Borough Council! The School Council are pictured with the Mayor below.

School Milk

Milk is vital for growing children as it strengthens bones and teeth. Children in Reception and Nursery are entitled to free milk as are children who are eligible for free school meals and clothing vouchers (not the universal free meal for all FS & KS1 children).

The cost of milk for the second half term of the Summer is **£9.00** and this needs to be paid by **THIS Friday (7th June)**. Due to the administrative burden of checking attendance and the inability to change the order daily unfortunately milk money cannot be refunded for absence.

High Harrington Community Centre

The Community Centre is in Crooklands, High Harrington and is colloquially known as the 'Green Hut'. It is a very competitively priced and useful resource for all in the community to use.

To hire this facility for any event then please contact Marjorie Rae on 01946 831004. The venue can be used for children or adult parties, meetings etc. and hire rates are very reasonable indeed. If you do hire this venue, please let Marjorie know you read about it in this newsletter.

Also, please pass on the following details to anyone you think may be interested:

Beckstone's Extended Services

Our extended services include the Breakfast Club (£4.00 from 7.30am, £3.50 from 8am); Educare (our popular afternoon child care provision for morning Nursery children – see table alongside) Please note that unfortunately we are unable to offer facilities for packed lunches for Nursery children. Beckstone Xtra (again £3.50 an hour) runs from the end of the school day until 5.15pm

The prices for our extended services are extremely competitive to support families in these difficult economic times. The price per hour is only £3.50. This is very good value and an extremely competitive rate for child care.

15 HOURS ENTITLEMENT

Sessions will run from:

12:10—1:10 p.m. = 1 Voucher

12:10—2:10 p.m. = 2 Vouchers

Uniform Reminder

Please don't forget to order any uniform in advance for September. This goes for school uniform and for PE shirts.

Order forms are available from the Office on request or uniform can also be ordered online at:

<https://www.border-embroideries.co.uk/schools/beckstone-primary-school.html>

Or follow the link on our web site...School Info>School Uniform or follow this QR code

The uniform for Beckstone Primary is as follows:

Dark navy sweatshirt

Sky blue polo shirt

Dark grey or black trousers/skirt

Blue gingham dress

Black shoes/trainers (with no logos)

PE Kit

This is compulsory for sporting lessons and there must be a change of clothes. Your child's class teacher will let you know on which days of the week it is required although, it may be left in your child's locker for a week/half term.

It MUST consist of:

Indoor – **Black shorts, a light blue T shirt and plimsolls/clean trainers.** Plimsolls are preferred for

gymnastics as it allows children to feel the apparatus whilst balancing.

Outdoor – **Black shorts / joggers, a light blue T shirt and appropriate footwear – trainers would be best.**

Swimming - **Appropriate swimming costume (not loose shorts) and a towel in a waterproof bag (plus hair brush/comb).**

Compliance with the PE Kit policy will be reported on your child's end of year report and letters/texts will go home if there are issues.

Year 6 Leavers' Hoodies

All Year 6 children have purchased a 'leavers' Hoodie' with their names on the figure 19 on the back. The Governors have allowed them to wear the hoodie instead of uniform if they so wish from the start of next month (Monday 1st July) until the end of term.

School Caps

The school is now selling summer caps (modelled in the picture by Sophie from Year 3) – they are of legionnaire design which means they have material to the side and rear which

protects children's ears and necks which can be vulnerable to sunburn. In addition, they also help to keep the head cool.

They are of good quality and are priced at **£4.50** and are available from the School Office. As well as being useful at school they should also be very useful to wear on holiday and will provide added sun protection.

Sports Bags

Sports bags are available to purchase through the School Office. These PE bags are provided by the school for the Reception children and will also be provided for Reception children next year. They have proved to be very popular, are easily named and keep PE kits neatly in lockers for a half term

so they are always to hand and then can be taken home in holidays to be washed.

Due to popular demand these can now be purchased for children further up the school and are priced at **£3.00**

Walk to School – Feet First

We aim to improve the health and fitness of our youngsters and reduce congestion and the hazard of traffic outside school. We hope that our children will enjoy taking part in Feet First as well as picking up road safety skills and that they will be encouraged to think about the environmental and health benefits of walking, cycling or scooting to school. If your child has to travel a long distance by car – why not park remotely from the school and walk, cycle or scoot the rest of the way (Park & Stride/Ride/Glide).

The children were encouraged to take part in the national 'Walk to School' week in the last week of last half term. The initiative was very well supported and we would like to say a BIG 'Thank You' to all who sent in photos. These can be seen in full in the photo gallery zone of our web

site and a collage of many of them is below. They have also been shared with the County's 'Walk to School' team who may include some in their newsletter, we will keep you posted.

Finally, please remember that children who walk to school on a regular basis will receive a badge at the end of this term.

Shopping Gateway

We are in partnership with a charity called 'School Angel' to raise money for the school. This is really simple to use and you can visit via our web site by clicking on the 'Shopping Gateway' Once on the page all you need to do is click on the logo for whatever shop/service you would like to visit. The school will receive commission from these firms at no extra cost to you; it is just a gateway to access websites.

**PLEASE DO TRY TO SUPPORT THE SCHOOL
WHEN YOU SHOP ONLINE....
PARTICULARLY IF BOOKING SUMMER

Facebook

The school has a live Facebook page – it is called "Beckstone Primary School (Official Facebook Group)", you should be able to search for the group or you can use this address or QR code.

<https://www.facebook.com/groups/1922762928000636>

The top of the Facebook page should look like the image above...there appears to be other sites with the school name on but these are not official:

We have created this page to let you know when our school website is updated and to send messages. It is for information only and doesn't accept comments.

If you are a Facebook user and would like to receive news feeds and updates about the school, then don't forget to 'join' the group and select the "see first" button. The Facebook page has open access and will also contain links to updates on our web site and messages from school – there is no facility to message school, please use other methods. As a result, any photos etc. will only appear from our web site following clicking on a link. It is hoped this will dissuade children who are under 13 using Facebook but will allow adults to receive updates about the school.

Indeed, please note no children should have Facebook accounts under the age of 13 and applications to join the group will be refused/accounts will be deleted.

QR Codes

QR stands for 'quick response'. QR Codes, if you don't know, are those funny black and white boxes you see in newspapers and magazines such as the image alongside. These are placed within this newsletter at relevant points to give you quick access to websites mentioned. All you have to do is install a free QR code reader to your phone/tablet, just search the App/Play store using 'QR', and simply scan the code.

Why not try downloading it and scan this code and see if it works. It should take you directly to our school web site.

School Fund

We need donations to this fund as funds are getting REALLY tight so please help if you can. The fund is donation based (for example the businesses advertising in this newsletter provide donations to this fund) and is used to fund the coaches for sporting events, buy many consumable items and fun activities for the pupils as well as many other things for school that enable us to provide services free of charge.

Please have a ratch down the sofa or anywhere to find some spare money to donate to the school to support all the children.

Please help if you can by donating to this fund.

After School Learning Clubs Charge

Further to the article in May's newsletter we would like to remind you that due

to severe budget issues we are having to reluctantly introduce a charge for after school clubs,) £10 per half term. Individual letters about clubs should have included information about this already.

Please note that there will be a maximum of £20 per child where multiple clubs are attended.

In addition, revision clubs and sports clubs leading up to specific sporting events to train teams will be exempt from this charge.

We are sorry we have been forced to introduce charges and hope you understand and we also hope that if school funding improves this is something that could be reviewed.

Breakfast Club Sandwiches

On the last Friday of each month the Breakfast Club serve bacon or sausage sandwiches at a cost of 50p per child or £1.50 per adult. Parents can purchase a buttie as they drop their children off and can eat in or take away. The take-away option is also available to any parents even if their child is not in the Breakfast Club. The next Breakfast Club sandwich day is on Friday 28th June.

Off by Heart

Our 'Off by Heart' individual poetry recital competition will take place on Monday 17th June. Poems will be sent home over half term to learn off by heart.

Each class will then vote for a class member to represent them in the school final. After the final all classes will vote for a FS & KS1 winner and a KS2 winner. The winning pupils will receive a book voucher.

Cinema Nights

This term's Cinema Nights will take place on Monday 8th July for Reception & Key Stage 1 children and Tuesday 9th July for Key Stage 2. Further details on the films to be shown will be in the July newsletter and a letter and booking form will go out towards the end of this month/early July.

Curriculum Meetings

There are 'Curriculum Meetings' on the last Monday of this term (Monday 15th July). Please make a note in your diary. We expect an adult from every family to attend so that you can meet your child's new teacher, learn about their areas of study in 2019/20 and what is expected from them and from yourselves. Your child's end of year report will be issued at these meetings (apart from Year 6 where they will be sent home with your child in a sealed envelope).

It is important that you attend and collect your child's report.

In order to minimise clashes so that parents with children in multiple classes can attend the timetable for this day looks like this. Please note the times, the class names refer loosely to the class your child will be in next year which will become public knowledge later this month and class names for this timetable will appear in the July newsletter..:

- 3.00pm – The Y2 class
- 3.20pm – The 2 Reception class + a Y5/6 class
- 3.40pm – The Y1 class + Y4 Class#1
- 4.00pm – The Y1/2 class + Y4 Class#2)
- 4.20pm – The 2 Y3 classes
- 4.40pm – The Y5 + the Y6 classes

Be Sun Wise

As the days get hotter (hopefully!!) it is important that thoughts go to protecting children from the sun. The children at the school spend a lot of time outdoors during the school day and lunch times in particular are times when the sun is at its hottest. We shall be holding assemblies stressing the need for protection against the sun.

Please help your child by applying sun screen **before** they get dressed in the morning (it should last for the school day so children don't need to be applying it at school), ensure they have the minimum of skin showing and provide them with a hat to wear outside to protect their heads...remember

'Wrap, Splat and Hat!'

Helena Thompson Museum – Harrington Wall

10 'artists' from Year 5 & 6 worked with a professional artist to create a 'Harrington Wall' outside the Helena Thompson Museum. The picture below shows the fantastic quality of the work undertaken there.

Mr Fleming became a 'Dad' for the first time during half term. His wife Jenna gave birth to a healthy baby boy called Kitt Grayson Fleming. We all wish the Fleming family many congratulations and we are all looking forward to meeting the new baby. Mr Fleming will be on paternity leave for the next 2 weeks.

Beckstone Summer Holiday Care

Now open for bookings!

We are delighted to inform you that we are now able to offer Holiday Care during the long summer holidays at a very competitive rate to help families with the cost of child care at this time.

The holiday care is open to all ages from September Nursery Starters right up to Year 6. It will run in the first 2 weeks and the last 2 weeks of the holiday. The days will start at 8am and finish at 5pm and will consist of 2 sessions, 8 until 12.30pm or 12.30pm to 5pm (children can be booked into one session or both). If staying all day your child(ren) will need to bring a packed lunch as canteen services are not available.

One session will cost £15, a whole day (i.e. 2 sessions) will cost £20. This is payable in advance by Friday July 12th and can be paid in cash, by cheque, by instalments or through Childcare Vouchers. Payments are non-refundable as staffing ratios etc will be sorted prior to the start of the summer holidays.

The days are going to be a mixture of fun activities utilising the school's resources such as sport, art, dance and drama as well as ICT amongst many other things. They will be designed to be lots of fun and play and recreational based. The children will also receive breakfast in the morning session and snacks in the afternoon session.

Families that have already responded have received a different letter. We are sending this to you so if you were undecided, didn't know your shift patterns yet or would now like to take advantage of this opportunity then you can use the form to book your child into the care service anytime up until Friday 12th July. Simply return the form below with payment method to the School Office or speak to one of the staff there.
