Newsletter no. 5 - January 2020

Dear Parents,

Welcome to the first newsletter of 2020!!

For the new Nursery starter parents, welcome to your first newsletter at Beckstone Primary. A newsletter is sent out usually on the first school day of each month and

contains information on activities at the school as well as important diary dates on the back.

If you ever mislay your newsletter then it is always available on the school's web site (address on the title bar) and the diary dates are there too, alternatively spares are available from the School Office.

As always there is a lot of information, about life in school, to share with you e.g. changes to collection arrangements, so please do take the time to read this newsletter carefully.

We hope you find this newsletter informative and useful and would very much welcome feedback either verbally or in writing. Please use the Parent Suggestions box at the top of the school hill or indeed the 'Parents' Online Suggestion Box' on our web site. If ever you wish anything to be included in a newsletter then please do let me know

Here's to a fabulous 2020!

Best wishes,  
Mr Warbrick

### Nativity Donation

Jaxson & Leah's Mum works at Wyndham Manor care home in Cleator Moor and the residents knitted Nativity figures that were donated to the school. Jaxson is pictured alongside them. The donation was very kind and will be used at Christmas time for many years to come. Our thanks go to Wyndham Manor and to all who created this lovely scene.

### Mayor of Allerdale Christmas Card Competition

Three of our pupils, George from Year 2, Jesse from Year 3 and Sylvester from Year 5 were runners up in the competition to design the Mayor's Christmas Card. This was no mean feat as there were nearly 900 entries. The winners are pictured with the Allerdale Mayor, our own local Councillor, Hilary Harrington, who is no stranger to the school.

### Christmas Fund Raising

The fair raised £1,800 which is amazing, thanks again to all for their support of this event. In addition our raffle raised £1,000 which is another astonishing figure and then the Community Carol Singing and Christmas Performance donations raised even more resulting in a grand total of just over £3,800. The generosity of our school community is very impressive indeed.

### Christmas Raffle

The 'Friends at Beckstone' annual Christmas Raffle took place on the penultimate day of last term.

We would like to thank all who donated prizes and bought tickets. Please do take note of all the local businesses who supported the event (the Washington Central, Embleton Hotel, the Royal George, The Lake District Wildlife Park, the Gincase, Lakes Escapes, B&Q, the Body Shop, the Wave Centre, Clip and Climb, and Scarlett beauty) by donating prizes and thank them for their support if you use their service. A complete list of

all the prizes and who won what is available on request from the School Office. The photo below shows the prizes on the day of the draw.

### Circuits Morning

The 'Circuits Day' for this half term is on Thursday 13<sup>th</sup> February. Children can come to school dressed in sports clothes.

for a £1 stake. If you wish to buy a number for yourself or your child please see the School Office.

## Governors' Board

### *Chair's Blog*

Hi everyone and welcome to the first newsletter of the decade! And a special welcome to our new nursery children and parents, it's fantastic to have you along with us! We have a number of spaces still available, so if you have any friends or relatives with children born between 1 January 2017 and 31 March 2017, please let them know, they can enrol after their 3rd birthday and start in April.

Now that we're into the start of spring term, it's time to start getting ready for SATS this summer. Revisewise is now available for all Year 6 children and I encourage you all to attend; be the best you can be.

You may be aware that school funding is increasingly tighter and we rely more and more on charitable donations and fundraising to provide the best resources and activities for our children. I am therefore making an appeal to you all for donations to our school fund; now that we have ParentPay, it couldn't be easier to make a donation, whatever it is. At the risk of sounding like one of many tv ads, £2 a month, or whatever you can afford, would make a huge difference to our school fund. Log on to ParentPay and there's a link there. Please help if you can.

We are continuing to have issues with inappropriate use of social media amongst our pupils; please see the section of the newsletter on pages 12-13 for guidance and advice. Children are accessing inappropriate content and may be posting and sharing photos and videos that they really shouldn't. Please make sure that you monitor their on-line activity.

After the success of our Summer Holiday play scheme last year, we are offering an Easter holiday scheme and another Summer holiday scheme. There was fantastic feedback from last year's scheme, so please consider using it if you need childcare in the holidays. A booking form will come home with your child soon.

Happy New Year!

## Lost Property

The box was full again at the end of term and clothing with names in was returned to the rightful owners. Unclaimed clothes had to be recycled or are being collected for charitable use (see below). **We cannot stress enough the importance of labelling clothing, make it a New Year resolution!**

## Moldova

One of our grandfathers has been a grateful recipient of some of our unclaimed lost property. Mr O'Donnell has then supported a school in Moldova by sending them the uniforms. The school are pictured below. The man in the second picture is Victor Zama the pastor who receives the clothes.

## School Milk

Milk is vital for growing children as it strengthens bones and teeth. Children in Reception and Nursery are entitled to free milk as are children who are eligible for free school meals and clothing vouchers (not the universal free meal for all FS & KS1 children).

The cost of milk for the first half term in the Spring is **£7.50** and needs to be paid by Friday, 10<sup>th</sup> January **via ParentPay NOT cash or cheque**. If you need help with this please see the School Office. Due to the administrative burden of checking attendance and the inability to change the order daily unfortunately milk money cannot be refunded for absence.

Wouldn't you like cleaner teeth?

It's **easier** and **cheaper** than you think.

### Safeguarding/Child Protection

Full details on the county's policies, procedures and processes with regard to safeguarding plus analysis of outcomes of serious case reviews can be accessed through the Cumbria CSCP (Cumbria Safeguarding Children

Cumbria Safeguarding Children Partnership

Partnership) Web Site at

<https://www.cumbriasafeguardingchildren.co.uk/default.asp> the site also has a parental information zone.

In addition to the above the school has a 'Safeguarding Zone' on its web site which contains the above link as well as relevant school policies, further information and a diagram showing how we keep your child safe in school. It is well worth a look.

**Sharing information is in the best interests of children and their safeguarding. The school reserves the right to share and receive information from other agencies that may have had dealings with your child.**

If you ever have any concerns about the safety or well-being of a child, then you can ring your concerns through to the County's 24 hour 'Safeguarding Hub' number and you can remain anonymous if you wish. Callers can outline their concerns and the Safeguarding Hub will give advice (consultation) and if necessary, undertake an

assessment of need.

**0333 240 1727**

There is now also an adult NSPCC helpline where any concerned adult can seek advice if they are concerned about a child and would like advice on whether to make a referral. The number to call is

**0808 800 5000**

### Domestic Violence

**Operation Encompass**

Debbie Cook, our Educational Support Manager has trained to be a 'Domestic Violence Champion' and is a resource available to any adult who would like to confidentially share incidents with her and is a very good source of advice. Just contact the School Office to get in touch with her.

Domestic violence is on the increase and causes terrible harm to victims and the associated children.

It is everyone's responsibility to ensure it is eradicated. We are working closely with the Police and the school will learn of any incidents to support any children whose lives are affected by such an occurrence.

### School Meals

The menu for this term is reproduced on the next page. It is also available on our web site and is a handy reference to encourage your child to have school meals and also to help them with their choices.

Our school meals are of a high quality with a fabulous array of choices, served by an excellent and committed canteen staff. Indeed the school continues to receive a '5' for its hygiene and cleanliness under the 'Food Safety & Hygiene Regulations Act.

**We do encourage all children to have a school meal as the balance of Nutrition is designed to ensure a healthy and long life**

Please note the school does not have facilities for storing packed lunches at appropriate temperatures and that packed lunches **MUST** be healthy. Please give serious thought as to why your child should not have a school dinner, particularly in Years Reception, 1 & 2 when they are FREE!

### Free School Meals Application

Eligibility for Free Meals brings **other benefits** such as a uniform grant, free milk, free instrumental hire and provides the school with additional funding. We ask that **ALL**

**ELIGIBLE PARENTS OF PUPILS FROM RECEPTION UP TO YEAR 6** fill in the school meals registration form that is available from the School Office or apply online through

**Free School Meals**

**Are you entitled?**

## Beckstone's Extended Services

Our extended services include the Breakfast Club (£4.00 from 7.30am, £3.50 from 8am); Educare (our popular afternoon child care provision for morning Nursery children – see table at below) Please note that unfortunately we are unable to offer facilities for packed lunches for Nursery children. Beckstone Xtra (again £3.50 an hour) runs from the end of the school day until 5.15pm

The prices for our extended services are extremely competitive to support families in these difficult economic times. The price per hour is only £3.50. This is very good value and an extremely competitive rate for child care.

## School Fund

**We need donations to this fund** as funds are getting REALLY tight so please help if you can. The fund is donation

based (for example the businesses advertising in this newsletter provide donations to this fund) and is used to fund the coaches for sporting events, buy many consumable items and fun activities for the pupils as well as many other things for school that enable us to provide services free of charge.

Please have a ratch down the sofa or anywhere to find some spare money to donate to the school to support all the children.

**Please help if you can by donating to this fund.**

Now we have the ParentPay system we can offer the facility for families to make an automatic School Fund donation on a monthly basis, from their bank account even £2 per month would cumulate to a great fund to support activities in school. If you would like to support the school in this way please contact the School office for further details on how to set this up.

## Cinema Nights

There are 2 Cinema Nights this half term, one for Reception & KS1 on Tuesday 11<sup>th</sup> February. The second is on Wednesday 12<sup>th</sup> February for KS2. If you have children in both ends of the school then we can accommodate that

with an older child going to the younger sitting or vice versa!

Further information and booking forms will go out towards the end of the month. The cost of the films including care and copious refreshments will be £6 per child payable when booking.

### **School Savings Account**

Encourage your child to save is a financial skill that will serve them well in life. If you would like to make use of our school savings account facility simply call in at the School Office to open an account if your child does not already have one.

### **High Harrington Community Centre**

The Community Centre is in Crooklands, High Harrington and is colloquially known as the 'Green Hut'. It is a very competitively priced and useful resource for all in the community to use. ### **Walk to School – Feet First**

We aim to improve the health and fitness of our youngsters and reduce congestion and the hazard of traffic outside school. We hope that our children will take part in Feet First as well as picking up road safety skills. In addition, it is hoped they will be encouraged to think about the environmental and health benefits of walking, cycling or scooting to school. If your child has to travel a long distance by car – why not park remotely from the school and walk, cycle or scoot the rest of the way (Park & Stride/Ride/Glide).

**Why not make walking to school a New year  
Resolution.**

### **Shopping Gateway**

We are in partnership with a charity called 'School Angel' to raise money for the school. This is really simple to use and you can visit via our web site by clicking on the 'Shopping Gateway' Once on the page all you need to do is click on the logo for whatever shop/service you would like to visit. The school will receive commission from these firms at no extra cost to you; it is just a gateway to access websites.

**PLEASE DO TRY TO SUPPORT THE SCHOOL  
WHEN YOU SHOP ONLINE....  
PARTICULARLY IF BOOKING SUMMER  
HOLIDAYS NEXT YEAR!!**

### Facebook

The school has a live Facebook page – it is called “Beckstone Primary School (Official Facebook Group)”, you should be able to search for the group or you can use this address or QR code.

<https://www.facebook.com/groups/1922762928000636>

The top of the Facebook page should look like the image above...there appears to be other sites with the school name on but these are not official:

We have created this page to let you know when our school website is updated and to send messages. It is for information only and doesn't accept comments.

If you are a Facebook user and would like to receive news feeds and updates about the school, then don't forget to 'join' the group and select the “see first” button. The Facebook page has open access and will also contain links to updates on our web site and messages from school – there is no facility to message school, please use other methods. As a result, any **photos etc. will only appear from our web site following clicking on a link. It is hoped this will dissuade children who are under 13 using Facebook but will allow adults to receive updates about the school.**

**Indeed, please note no children should have Facebook accounts under the age of 13 and applications to join the group will be refused/accounts will be deleted.**

### QR Codes

QR stands for 'quick response'. QR Codes, if you don't know, are those funny black and white boxes you see in newspapers and magazines such as the image alongside. These are placed within this newsletter at relevant points to give you quick access to websites mentioned. All you have to do is install a free QR code reader to your phone/tablet, just search the App/Play store using 'QR', and simply scan the code.

Why not try downloading it and scan this code and see if it works. It should take you directly to our school web site.

### Class Assemblies

This term sees most of the class assemblies. These are on Fridays and start promptly at 9.05am. Parents are welcome to attend and can take photographs/video if they wish as we have no objections from parents for this. We will also film the assemblies and DVDs can be ordered after the event and these can be ordered for £3 after the assembly. We endeavour to get these DVDs to you later the same day if we can. Finally, no fire drills are planned for these times so if the fire alarm does sound please leave by the rear doors of the Sports Hall and muster on the back playground.

### Swimming Spring 2020

3LS, 4JWa and 4DP will be having swimming lessons this term. Lessons begin THIS Monday coming, 13<sup>th</sup> January and finish on Monday 23<sup>rd</sup> March. Children will need a bag, a towel, appropriate swimwear and a hair brush or comb. Time is tight and the children will not have time for any 'beauty' treatments before returning to school on the bus!

Again, please can all note that **swimming is statutory and all should take part unless medical advice states otherwise.** There is no better sport for overall health than swimming. It's great for your heart and circulation, provides natural, low-impact resistance for building muscle and as it challenges your body it will help release endorphins - your body's natural pain and stress fighters which can fight off infection and also make you feel happy.

## FAB Meeting

The next meeting of the 'Friends of Beckstone' will take place in the staff room of the school on **Thursday 13<sup>th</sup> February at 3.30pm**. We can provide FREE Beckstone Xtra places for those wishing to attend as long as they are booked in advance. We will be planning events for the rest of the school year, do attend if you can.

## The Rae Way – Back Path

Please be careful using the back path in frosty weather as it was an issue last year with frost making the tarmacked parts of the path slippery. Unfortunately, the school is unable to grit this access path as H&S regulations only allow the school to grit pathways into the building within its grounds. The local Council sadly do not have the resources to employ gritters. In cases of bad frost, it is therefore advisable to access the school from the front entrance if you feel the Rae Way is too dangerous.

## Courteous Parking

Please can all parents using cars near the school please park courteously and legally. We had complaints last term about parents parking in front of people's drives, parking on Eadie Street which is for residents only and also very near the start of the back path on the Main Road. This latter one is a concern as

there is no crossing here and cars parked near or on the red tarmac are obscuring vision for cars and pedestrians and can make it very unsafe to cross.

## Pupil' Use of Social Media & Online Gaming

Please can all parents make sure they are aware of the apps and the social media their children have access to. Disturbingly we have found out through Kidsafe discussions that STILL some of our children use a wide range of online games and apps that have disturbing content and shouldn't be seen by children of a Primary age

In addition, there are games for the PlayStation, Xbox etc that allow children to talk to each other and

sometimes strangers when playing the game. Of particular concern at the moment is 'Fortnite'. This game has a **12** rating as it contains moderate violence but also allows open and unfiltered contact to others. Last term the school was becoming involved in a number of issues where 'online chats' had resulted in name calling, threats and upset and often 'last night's' game spilled over into classrooms and staff have had to sort issues out. Furthermore, we have learnt from some children that they stay up until very late (way past recommended sleep times – see following article) to play these games. As a consequence, there are some pupils who are coming to school too tired and upset to focus on their learning from playing a game that has a rating above their years! We are urging parents of pupils who have access to this game to curtail its use and put their child's learning first!

All social media apps including WhatsApp, Tik Tok, Snap Chat, Facebook and Instagram have a minimum age of **13!** There is an important reason for this as children under this age do not have the emotional maturity or social awareness of how to use them properly. Anything written is never deleted and could come back to haunt your child later in life. We understand that you may be under pressure from your children to allow them access to these apps (e.g. Snapchat) or sites such as Facebook and Instagram but please dissuade them and tell them Mr Warbrick has said 'no'. Childhood is a very special phase in life and it should last as long as possible and not be shortened through accessing adult media.

## How much sleep do children need?

Below are the approximate hours of sleep **needed** by children of different ages, as recommended recently in a Government Health report. If one assumes children are woken up at say, 7.30am for school then 'sleep times' have been added to the recommendations...these are not bed times, but times children need to be asleep, so bedtimes consequently need to be earlier, perhaps half an hour before!

### 3 years - 7.30pm

- daytime: 0 to 45 minutes
- night-time: 11 hours 30 minutes to 12 hours

### 4 years - 8pm

- night-time: 11 hours 30 minutes

### 5 years - 8.30pm

- night-time: 11 hours

### 6 years - 8.45pm

- night-time: 10 hours 45 minutes

### 7 years - 9pm

- night-time: 10 hours 30 minutes

### 8 years - 9.15pm

- night-time: 10 hours 15 minutes

### 9 years - 9.30pm

- night-time: 10 hours

### 10 years - 9.45pm

- night-time: 9 hours 45 minutes

### 11 years - 10pm

- night-time: 9 hours 30 minutes

## **TOP TIPS ABOUT SLEEP:**

Advice from Public Health 5-19 Service....

Children of all ages will benefit and respond well to a regular bedtime routine as well as feeling safe and secure.

**Tip 1:** Create a calm, quiet bedtime routine. This should begin shortly after tea with some quiet play, a bath, story and then bed.

**Tip 2:** Ideally set a time for bed and stick to it. When a good bedtime routine is established occasional later nights as children get older should not be a problem.

**Tip 3:** Make sure the bedroom is dark, cool and quiet and establish some early rules!

No TV, computers or phones in the bedroom and ideally avoid stimulating electronic games 2 hours before bedtime.

**Tip 4:** Don't expect your child to go to sleep straight away. Once in bed some quiet play, reading or listening to an audio story is fine for a little while until they are ready to drop off.

**Tip 5:** Get everyone in the family to stick to the routine.

**Tip 6:** 'I am hungry' 'I am thirsty' – A light supper before tooth brushing and keeping a glass of water next to the bed can help.

**Tip 7:** When problems do occur try to stay calm and avoid getting anxious. If your child gets up or is difficult to settle by themselves; check they're ok, reassure them, give them a quick cuddle but then tuck them back into their own bed. Remember your child needs to learn to go to sleep independently. Repeat and keep repeating the above whilst remaining calm, firm and consistent!

**Tip 8:** Sometimes sleep problems are affected by daytime routines; Make sure your child has regular exercise and plenty of fresh air. Avoid fizzy drinks and energy drinks which contain a lot of sugar and caffeine.

**Tip 9:** Is your child worried or scared? If this is the case, aim to talk and reassure your child in the daytime so that bedtime and sleep can be a calm and restful time.

**Tip 10:** If you have tried these tips, but your child keeps having problems getting to sleep or sleeping through the night, you may feel you could do with more support. Begin by keeping a sleep diary and then speak to your GP about your worries so that further assessment or support can be given.
