CORE SUBJECT OUTCOMES WITH COMPARATORS

Outcomes for pupils

We currently only have national 2022 comparative data for KS2, other Stage comparisons compare to pre-Pandemic 2019 outcomes.

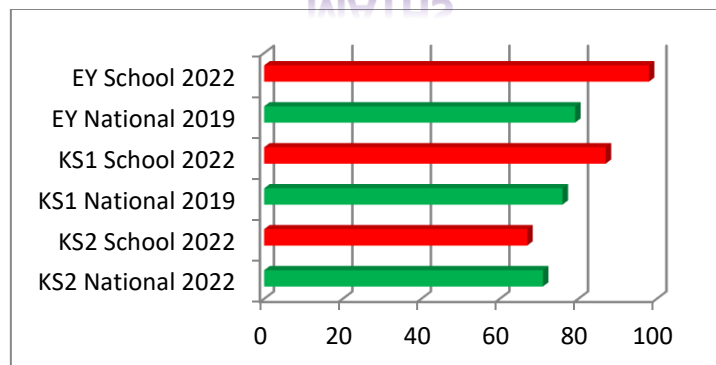

READING

WRITING

MATHS

The strong performance of the school across all core subjects is testament to the support provided for learning during the lockdowns and the quality first teaching and effective interventions deployed since.

FOUNDATION STAGE

2019 National 'Good' level of development (Good in all Prime + Literacy & Maths) = 71.8%

2022 = School GLD 80% so **well above pre-Pandemic 2019** National figure

School trend is up, GLD in 2021 was 53.5%

- Cohort achieved well against new EYFS Outcomes across the curriculum
- 36 of the 45 pupils reached GLD and so were well prepared for the move into KS1
- The cohort seems to be slightly stronger in maths (number) than writing

Resulting Improvement Targets =

- **Writing outcomes was amongst the weakest of all aspects for this cohort.**
- **Reception needs to plan for specific writing activities in the direct teaching and the continuous provision to address this next year,**
- **Y1 teachers need to focus interventions and plan for the 9 children moving to Y1 who didn't achieve GLD**

Year 1 Phonics

94%

National 2019 = 82%
School 2019 = 86%

- Y1 phonics – 80% of cohort but Scholar Pack does not count 'A' or 'D' so 94.44%!!

Pupil Premium outcomes very impressive

Analysis of outcome

- 42 children in Y1- each child is 2.4%
- 47 children took the test in KS1 (5 from Y2 who didn't pass in Y1...3/5 passed this time)

Y1

- 5 children were disapplied as not near standard
- 2 children missed but were within 5-6 marks

95.5% of Y2 cohort have now achieved pass level for Phonics Screening Check Y2 (91% nationally in 2019)

- School performing well above pre-Pandemic national average
- Pupil Premium at 100% whereas non PP 93.1% so a negative gap with PP pupils performing better than non PP

Resulting Targets =

- **No Nonsense Phonics to continue to be used from Reception to Y2 to ensure consistency of approach.**
- **Y1 team to meet with Stage Leader every month to monitor progress and interventions.**
- **Stage Leader to record progress and feedback to Reading Lead**

The school awaits the detailed analysis of ASP 2022 national data and performance of groups from further data analysis however the FFT Early Results Service provides very good analysis.

- Attainment at the end of KS1 is higher than national at expected levels for all subjects compared to pre-Pandemic national data (2019...last year for data as yet).

- At the higher levels ('Greater Depth') the school is below national (2019) for Reading (4 v 21) and below national for writing (4 v 15) and Maths is also below national 2019 (9 v 22)

- Girls performed significantly higher than boys across the core subjects apart from GDS for Writing and Maths
- Given 2 lockdowns during KS1 these are very impressive results
- The attendance of SEN children is particularly high, support given must be highly valued
 - **In terms of closing the gap, the PP pupils' attainment at 'expected' is below their peers in all subjects and particularly in writing**

Resulting Improvement Targets =

- To focus on improving attainment at high ability levels in all subjects
- To continue to ensure children who don't read regularly at home are additionally supported with their reading at school.
- To carefully track progress of PP children across all subjects and target effective interventions to accelerate learning of this cohort.

- % achieving expected in R, W & M was above national = 63% compared with 59% nationally in 2022.
- School at or above national comparisons in Reading, Grammar & Punctuation and writing. Slightly below national in Maths and Science.
- Outcomes at GDS below national , 9% below in Reading, 4% below in Writing and 10% in maths
- The Pupil Premium Cohort whilst achieving above national expectation of 100 did not make the progress expected from KS1 had there not been lockdowns. The lockdowns appear to have affected the PP Pupil and SEN pupils the most.

- To continue to timetable daily '10 Activities' sessions across the school in 22/23 which use weekly formative assessment to address identified gaps in mathematical knowledge.
- To use Professor Assessor software to quickly identify gaps in knowledge and devise interventions to close the gap.
- To establish breakfast maths clubs for Y6 children to focus on 'pre-learning' as well as provide social/emotional support alongside academic intervention
- To train key UKS2 staff in 'Reciprocal Reading'
- To train staff from Y1 to Y6 on FFT 'Lightning Squad' interventions
- To implement interventions using Rising Star's data and 'Shine' materials
- To support specific individual PP pupils' and their families' needs
 - ESM to contact parents and establish individual support plans e.g. free access to Breakfast Club
 - Access to Beckstone's Uniform Exchange
 - Ensure they know about homework support.
